

# IMPACT SNAPSHOT

## Keeling Curve Prize

The Keeling Curve Prize enables Climate Curve to discover some of the world's most innovative and effective climate solutions. The prize is globally recognized as one of the most prestigious and scientifically rigorous climate awards and has catalyzed exponential growth for countless climate startups, nonprofits, and high-impact companies.

### \$2.75M

Keeling Curve Prize funding awarded to date to 80 laureates

### \$2.87B

The capital raised by laureates after winning KCP is equivalent to 1,000x's the total award funds

### \$500K

KCP annual award purse

### 125

Countries represented by KCP Finalists

## Join the Movement of Climate Supporters Making Action Possible

**The International Council** unites committed philanthropists who give \$2.5K – \$100K+ annually to power Climate Curve award-winning climate solutions. Members gain insider access to breakthrough projects, premier climate events, and a network of visionary changemakers—all while providing the essential backbone of our work.

### Giving Tiers & Commitment

#### Navigation | \$2,500+ Annually

Emerging champions who want meaningful engagement and impact.

#### Visionary | \$25,000+ Annually

High-impact partners scaling solutions worldwide.

#### Legacy | \$100,000+ Annually

Pacesetters shaping the future of global climate action.

### Why Join?

**Access** – VIP invitations to COP, Climate Weeks (NYC & SF), XPRIZE Visioneering, and private project briefings.

**Insight** – Early intel on cutting-edge climate technologies and on-the-ground solutions.

**Influence** – Opportunities to share expertise, open networks, and co-create initiatives with Climate Curve leaders.

**Recognition** – Listing in Climate Curve reports & website (or anonymity, if preferred).

**Community** – Deep relationships with fellow philanthropists and innovators committed to climate progress.

## Constellations Fellowship

The Constellations Fellowship provides students and recent graduates with professional, virtual internships within our global network of Keeling Curve Prize Laureates and Finalists.

### 500+

Partnerships with colleges and universities around the globe

### 520

Constellations Fellows paired with climate organizations

## Climate Impact Conduit

The Climate Impact Conduit is an impact-driven program designed to unlock greater capital to some of the world's best climate solutions. Funders can make impactful connections with 1,600 entrepreneurs and nonprofit leaders in 109 countries.

“The International Council is not just a membership, it is an opportunity for those that want to support the front lines of climate solutions — not just with funding, but by sharing their ideas, networks, and leadership.”

**Jacquelyn Francis**  
Founder & CEO of Climate Curve

## The Climate Curve DIFFERENCE

Climate innovation is on the rise, but capital and workforce talent are far behind pace. We need to rapidly scale funding and resources for climate entrepreneurs. Tackling the complexities of global warming requires a multifaceted approach across all sectors, industries, regions, and approaches. That is why Climate Curve mobilizes resources for a wide variety of solutions around the world.
